*IMPORTANT INFORMATION TO KNOW:

**The following items are provided at the home for you: Medium roast coffee, coffee filters, paper towels, toilet paper, and laundry detergent.*

Due to the need of importing almost all items onto the island, please be aware that retail prices in Turks & Caicos are at **least 50% higher than in the United States.*

**While filling out your shopping list, please remember product and brand availability changes on the island frequently. We will do our best to purchase the exact product/brand requested, but in the event that it's not available, we will purchase a similar product, and we will be in communication with you to confirm.*

**If you have chosen to have breakfast prepared for you, remember to select your breakfast items below.*

**If more than 1 of an item/product is needed, please make sure to give the quantity needed. (Example: 2 bags of regular potato chips)*

** There is a service fee charged per shopping trip made before and during your stay. The house manager will provide a receipt with all items, including any service fees and taxes, and give this total to you for each shopping trip. For the initial pre-arrival shopping trip, the credit card on file will be charged. If addtional shopping trips are requested during your stay, the house manager will process credit card payments directly with you upon completion of each shopping trip.*
